Spring 2015 Dean’s List

Congratulations to our baccalaureate students who have earned a place on the UTMB School of Nursing Dean’s List. This honor is reserved for the highest achieving students who exemplify excellence in the attainment of their educational goals. Each semester the Dean’s List honors all full-time undergraduates who earn a grade-point average of 3.50 or higher and have completed all graded courses with a C or above during the semester. Part-time students who complete a minimum of 6 credit hours receive the Dean’s Academic Achievement Award, which is based on the same criteria described for full-time students. These honors are noted on the student’s official transcript.
